Welcome to Earle's Grove! We ask that everyone (guests and members) to please take a moment to complete a **CARE** card. You may use the card to request more information about our church or indicate a specific decision or prayer request. Please return the card at the close of the service. If God is leading you to join our church, we would love to have you! You may join by (1) professing faith in Jesus Christ as your personal Savior and receiving believer's baptism; (2) moving your membership from another Southern Baptist Church; (3) or moving your membership from a church of another denomination, which may include receiving believer's baptism by immersion. At the close of the service the pastor will provide an opportunity for you to respond. Simply go forward and let him know what decision you are making, and he will help you with that decision.
